

Joseph J. Albanese Inc. Hires Public Works Industry Veteran John Gasiorowski to Lead Expanded Public Works Offerings

SANTA CLARA, Calif., May 23, 2023 — Joseph J. Albanese Inc., a leading concrete and construction contractor, today announced it has appointed John Gasiorowski, P.E., to the position of Public Works Project Executive. An experienced heavy civil construction professional, Gasiorowski will lead the company’s expanded public works offerings, which includes bridge, culvert, road and emergency construction.

“We are pleased to announce the appointment of John Gasiorowski to lead our Public Works capabilities,” said Phillip J. Albanese, CEO of Joseph J. Albanese Inc. “John’s vast public works expertise, combined with our proven experience, makes our company an unbeatable choice for public works projects successes.”

The company has built, retrofit and repaired many public works projects, including the Fair Oaks Bridge in Sunnyvale as well as many roads, culverts and bridges throughout the Bay Area.

Gasiorowski has more than 35 years of experience in planning, estimating and building complicated public works projects, including transportation, water works, elevated structures, buildings and underground works. He has worked on public works projects for some of the Bay Area’s most respected construction companies. His experience includes:

- Transportation: Freeways, Airfields, Light Rail, Mass Transit
- Water Works: Canals, Rivers, Creeks, Box Culverts, Wastewater
- Elevated Structures: Bridges, Overpasses, Creek Crossings
- Buildings: Equipment Control Buildings, Structural, Pump, Place & Finish, Site Concrete
- Underground Works: Subway Stations, Utility Work, Deep Excavation

Gasiorowski holds a master’s degree in Civil Engineering from Stanford University as well as a Bachelor of Science degree in Civil Engineering with a Minor in Business Administration. A

licensed Professional Engineer (PE) as designated by the California Department of Consumer Affairs, he holds many certifications including, OSHA 30-Hour Safety Training and Hazwoper 40-Hour Training.

“Our company has been family-owned and operated since my grandfather, Joseph J. Albanese, founded the company in 1955. We are very proud of our long history of success and look forward to expanding our public works capabilities,” Albanese added.

About Joseph J. Albanese Inc.

Founded in 1955 by Joseph J. Albanese, Joseph J. Albanese Inc. is a family-owned and operated construction company that has been led by three generations of the Albanese family. The company’s mission is to foster an environment of opportunity and growth for its team while deliberately leveraging the organization’s experience to provide value to all project stakeholders on every job.

Focused on its core values of safety, people, quality and truth, the company has won numerous awards from the Silicon Valley Business Journal and San Francisco Business Times, including being named among the Best Places to Work in the Bay Area (2019, 2020, 2021, 2022 and 2023), Top Family-Owned Businesses in the Bay Area (2019, 2022, 2021 and 2022) and Top Privately Held Businesses for the last 10 years. It is based in Santa Clara, Calif.
